

SHIKHA JAIN MD, FACP

I. PRESENT POSITION AND ADDRESS

Academic Rank: Assistant Professor of Medicine
Title: Director of Communication Strategies in Medicine
Associate Director of Oncology Communications & Digital Innovation.
University of Illinois Cancer Center
University of Illinois Chicago
Department/Division: Department of Medicine, Division of Hematology and Oncology
Professional Address: 1740 West Taylor St.
Chicago, IL 60607
Email Address: sjain25@uic.edu
Website: www.shikhajainmd.com
www.womeninmedicinesummit.org
www.impact4hc.com
Twitter: @ShikhaJainMD
Instagram: @ShikhaJainMD
Languages: English (fluent), Hindi (fluent), Spanish (conversant)

II. EDUCATION AND POST-GRADUATE TRAINING

Undergraduate

1999-2003 University of Chicago, Chicago, IL
Bachelor of Arts in Biological Sciences (Honors)
Dean's list

Post-Graduate

2003-2004 Drexel University, Philadelphia, PA
Interdepartmental Medical Sciences Program
2004-2008 Michigan State University College of Human Medicine, East Lansing, MI
Doctor of Medicine
2008-2011 University of Illinois Hospital, Chicago, IL
Internal Medicine Residency
2012-2015 Loyola University Chicago Hospital, Chicago, IL
Hematology Oncology Fellow, 2012-2015

Licensure and Certificates

1. Permanent medical license in Illinois, since 2012

2. Board Certified, American Board of Internal Medicine, 2011
3. Board Certified, American Board of Internal Medicine, Hematology 2015
4. Board Certified, American Board of Internal Medicine, Oncology 2015
5. Active BLS certification

III. PROFESSIONAL EXPERIENCE

Academic Appointments

- 2020-ongoing University of Illinois, Chicago IL
Assistant Professor of Medicine, Division of Hematology, Oncology
- 2018-2020 Rush University Medical Center, Chicago, IL
Assistant Professor of Medicine, Division of Hematology, Oncology &
Cell Therapy
- 2015-2018 Northwestern Memorial Hospital, Lurie Cancer Center, Chicago, IL
Hematologist/Oncologist
Health System Clinician, Clinical Sciences Tract

Administrative Appointments

- 2020-ongoing University of Illinois Hospital, Chicago IL
Director of Communication Strategies in Medicine
- 2020-ongoing University of Illinois Cancer Center, Chicago IL
Associate Director of Oncology Communications & Digital Innovation.
- 2018-2020 Rush University Medical Center, Chicago, IL
Director of Social Media and Communications for the Rush University
Cancer Center
Co-Founder and Co-Chair Rush Center for the Advancement of Women in
Healthcare
- 2016-2018 Northwestern Memorial Hospital, Lurie Cancer Center, Chicago, IL
Clinical Cancer Operations Committee, HOA Representative

Other Professional Experience

- 2008-2011 University of Illinois Department of Hematology Oncology, Chicago, IL
Research Assistant
- 2002-2008 Kalamazoo Center for Medical Studies MSU CHM, Kalamazoo, MI
Research Assistant, July 2002-June 2008

- 2002-2003 University of Chicago, Department of Immunology, Chicago, IL
Research Assistant
- 2001-2002 University of Chicago, Department of Psychiatry
Research Assistant, Aug 2001-June 2002
- 2001 St. John's Catholic School, Varanasi, India
First Grade Teacher, Summer 2001
- 2000 Pharmacia Upjohn, Kalamazoo, MI
Research Assistant, June 2000-Sep 2000

Hospital/Clinical Appointment

- 2020-ongoing University of Illinois Hospital, Chicago IL
- 2018-2020 Rush University Medical Center, Chicago, IL
- 2015-2018 Northwestern Memorial Hospital, Lurie Cancer Center, Chicago, IL
- 2011-2012 Whakatane Hospital, Whakatane, New Zealand
Medical Officer

IV. SCHOLARSHIP

Areas of Research/Scholarly Interest

- GI Oncology
- Immunotherapy
- Digital Innovation and Healthcare Strategies
- Healthcare Communication
- Health disparities
- Gender Equity in Healthcare
- Social Media and Healthcare
- Narrative Writing in Medicine
- Abstracts/Case Reports with Trainees

Editorial Boards

1. Healio-Women In Oncology, Consulting Medical Editor. July 2020-ongoing.
2. Healio HemOnc Today, Editorial Board Member. July 2020-ongoing

Journal Editor

1. International Journal of Academic Medicine (IJAM). Guest Editor September-December 2019 Edition.
2. International Journal of Academic Medicine (IJAM). Guest Editor September-December 2020 Edition.

Non Clinical Fellowships:

1. The OpEd Project June 2019-June 2020
 - Public Voices Fellow
2. Doximity Writing Fellow. June 2017-June 2018.
 - Create original content for Doximity.
 - Provide insight and comments on articles published on Doximity.

Grants

1. Gateway Discovery Grant to Address Cancer Disparities in Clinical Trials: Conquer Cancer, The ASCO Foundation. LOI approved April 2021.
2. P20 Cancer Disparities Pre-Spore grant, Disparities in Hepatocellular Carcinoma patient population. Submission October 2020.
3. SBIR Grant: The Utility of Machine Learning to improve Hepatocellular carcinoma patient HRQOL. In Process. Est Submission April 2021
4. Communication Strategies and Healthcare during the COVID19 pandemic. R01. Est Submission 2022. Collaboration with University of Chicago.

Clinical Trials

1. Primary Investigator: BTC Study: A Prospective Feasibility Study of Multi-Platform Profiling Using Biospecimens from Patients with Resected Biliary Tract Cancer
2. Primary Investigator: A021602: Randomized, Double-Blinded Phase III Study of CA Bozantinib Versus Placebo IN Patients with Advanced NEuroendocrine Tumors After Progression on prior therapy (CABINET)
3. Primary Investigator: MK3475-181: A Phase III Randomized Openlabel Study of Single Agent Pembrolizumab vs Physicians' Choice of Single Agent Docetaxel, Paclitaxel, or Irinotecan in Subjects with Advanced/Metastatic Adenocarcinoma and Squamous Cell Carcinoma of the Esophagus that have Progressed after First-Line Standard Therapy (KEYNOTE-181)
4. Primary Investigator: NRG GI004-Colorectal Cancer Metastatic dMMR Immuno-Therapy (COMMIT) Study: A Randomized Phase III Study of mFOLFOX6/Bevacizumab Combination Chemotherapy with or without Atezolizumab Monotherapy in the First-Line Treatment of Patients with Deficient DNA Mismatch Repair (dMMR) Metastatic Colorectal Cancer
5. Primary Investigator: RTOG 1112-Randomized Phase III Study of Sorafenib Versus Sterotactic Body Radiation Therapy Followed by Sorafenib in Hepatocellular Carcinoma
6. Primary Investigator: A021703-Randomized Double-Blind Phase III Trial of Vitamin D3 Supplementation in Patients With Previously Untreated Metastatic Colorectal Cancer (SOLARIS)
7. Primary Investigator: Emerald 1- A Phase III, Randomized, Double-blind, Placebo-controlled, Multicenter Study of Transarterial Chemoembolization (TACE) in Combination With Either Durvalumab Monotherapy or Durvalumab Plus Bevacizumab Therapy in Patients With Locoregional Hepatocellular Carcinoma
8. Primary Investigator: S0820-A Double Blind Placebo-Controlled Trial of Eflornithine and Sulindac to Prevent Recurrence of High Risk Adenomas and Second Primary

- Colorectal Cancers in Patients With Stage 0-III Colon or Rectal Cancer, Phase III - Preventing Adenomas of the Colon With Eflornithine and Sulindac (PACES)
9. Primary Investigator: BTCRC GI20-457: A Phase II Study of Atezolizumab and Bevacizumab in Child-Pugh B7 Hepatocellular Carcinoma (The AB7 Trial)
 10. Primary Investigator: EA2176: A Randomized Phase III Study of Immune Checkpoint Inhibition With Chemotherapy in Treatment-Naïve Metastatic Anal Cancer Patients
 11. Primary Investigator: EA2197: Optimal Perioperative Therapy for Incidental Gallbladder Cancer (OPT-IN): A Randomized Phase II/III Trial
 12. Co-Investigator: BTCRC GI15-015-A Phase II Study of FOLFOX combined with Nab-Paclitaxel (FOLFOX-A) in the Treatment of Metastatic or Advanced Unresectable Gastric, Gastro-Esophageal Junction Adenocarcinoma
 13. Co-Investigator. Analysis of Vaccine Response in Cancer Patients.
 14. S1815: A Phase III Randomized Trial of Gemcitabine, Cisplatin, and Nab-Paclitaxel Versus Gemcitabine and Cisplatin in Newly Diagnosed, Advanced Biliary Tract Cancers
 15. TEMPO: A Phase I Trial of Talimogene Laherparepvec for the Treatment of Peritoneal Surface Malignancies
 16. BESPOKE Study of ctDNA Guided Therapy in Colorectal Cancer
 17. A021806: A Phase III Trial of Perioperative Versus Adjuvant Chemotherapy for Resectable Pancreatic Cancer
 18. BrUOG 354: A Phase II Randomized Trial of Nivolumab +/- Ipilimumab for Ovarian and Extra-renal Clear Cell Carcinomas
 19. NRG-GI005: Phase II/III Study of Circulating Tumor DNA as a Predictive Biomarker in Adjuvant Chemotherapy in Patients With Stage IIA Colon Cancer (COBRA)
 20. EA2182: A Randomized Phase II Study DeIntensified ChemoRadiation for Early-Stage Anal Squamous Cell Carcinoma (DECREASE)
 21. ACT16902: A Phase 2 Non-Randomized, Open-Label, Multi-Cohort, Multi-Center Study Assessing the Clinical Benefit of SAR444245 (THOR-707) Combined with Other Anticancer Therapies for the Treatment of Participants with Advanced and Metastatic Gastrointestinal Cancer

Other Ongoing Research Work

1. Breast Cancer Misinformation and Social Media, Collaboration with University of Nebraska-Lincoln
2. The Utility of Machine Learning to improve HCC patients HRQOL
3. A Prospective Feasibility Study of Multi-Platform Profiling Using Biospecimens from Patients with Resected Biliary Tract Cancer. Collaboration with University of Washington.
4. The Evolution of Cancer Immunotherapy.
5. Healthcare communication and Social Media Use

25. Women in Medicine Summit. Welcome and Introduction Day 1, September 20, 2019.
26. Women in Medicine Summit. Close Day 1, September 20, 2019.
27. Women in Medicine Summit. Welcome and Introduction, Day 2 September 21, 2019.
28. Women in Medicine Summit. Close Day 1, September 21, 2019.
29. Shattering the Glass Ceiling: Challenging Gender Barriers. Medicine Grand Rounds. Rush University Medical Center. September 4, 2019.
30. Social Media and Healthcare: Amplification and Empowerment. Rush University Medical Center. Aug 1, 2019.
31. Oncologic Emergencies. West Suburban Hospital. July 24, 2019.
32. Rush Hospitalist-Oncologic emergencies invited speaker July 11, 2019
33. Immunotherapy: The Final Frontier? Immunotherapy for the Non-Oncologist. Grand Rounds. Rush Oak Park Hospital. May 17, 2019.
34. Immunotherapy: The Final Frontier? Immunotherapy for the Non-Oncologist. Grand Rounds. West Suburban Hospital. March 28, 2019.
35. Shattering the Glass Ceiling: Challenging Gender Barriers. Hematology and Oncology Grand Rounds. Rush University Cancer Center. January 16, 2019.
36. How to Write an Op-Ed. Northwestern Memorial Hospital. November 3, 2018.
37. Diversity and Inclusion in Medicine. Moderator. Women In Medicine Symposium. Northwestern Memorial Hospital. October 25, 2018.
38. Oncologic Emergencies. Midwest Hospitalist Conference. Invited Speaker. Northwestern Memorial Hospital. October 18, 2018.
39. Examining Time to Receipt and Causes of Delay in Novel Oral Oncolytics. 20th World Congress on Radiology & Oncology. Sep 2018.
40. Immunotherapy: An Overview. Invited Speaker. Medical Education Series. Moraine Valley Community College. Feb 7 2017.

41. Blood Is Thinner Than Water. Borgess Vascular Symposium Invited Speaker. Western Michigan Homer Stryker M.D. School of Medicine. Department of Vascular Surgery. Kalamazoo, MI. Nov 2016.
42. Immunotherapy in Hematology-Oncology. Grand Rounds Invited Speaker. Western Michigan Homer Stryker M.D. School of Medicine. Department of Internal Medicine. Kalamazoo, MI. April 2016.
43. Immunotherapy, The Final Frontier? Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. February 2015.
44. Cancer Immunotherapy. Invited Speaker. Clinical Research Department. Loyola Hospital, Cardinal Bernardin Cancer Center. January 2015.
45. ALL About CARs: Chimeric Antigen Receptor Therapy for Relapsed/Refractory ALL. Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. November 2014.
46. Fertility and the Cancer Patient. Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. April 2014.
47. Blood Sport: A Hematologists View of Sports Medicine. Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. December 2013.
48. Why Was ASCO 2013 Atwitter About PD-1? #Oncology. Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. June 2013.
49. Can An Aspirin a Day Keep the Oncologist Away? Grand Rounds. Loyola Hospital, Cardinal Bernardin Cancer Center. Maywood, IL. February 2013.
50. Hodgkins in the Elderly. Chicago Lymphoma Rounds. Chicago, IL. November 2012.
51. Operative Intervention for Carotid Restenosis Is Safe and Effective. Lansing Research Day. East Lansing, MI. May 2006.
52. Senior Honors Thesis Defense. The Effects of B7-1/B7-2 Deficiency on the Generation and Function of Dendritic Cells. Chicago, IL. May 2003
*Rescheduled due to COVID19

Oral Abstract Presentation – CME

1. Zimmermann, L, Bloomgarden E, Khan A, Jain S, Arora V. The Illinois Medical Professionals Action Collaborative Team (IMPACT): Redefining connectivity by leveraging social media to rapidly identify and address vaccine access and hesitancy. Oral Innovation Session. Midwest Regional Virtual Meeting of the Society of General Internal Medicine; October 7-8, 2021.
2. Mordell L, Rupert D, Bhayani R, Bloomgarden E, Rebaza J, Clayman M, Jain S. Flattening Hierarchical Team Structures: Bidirectional Mentorship and Empowering Through Social Media Platform Management. Oral Innovations Session. SGIM MW Conference October 7-8, 2021.
3. Implementation of the Illinois Medical Professionals Action Collaborative Team (IMPACT) to Enable Healthcare Workers to Translate Values into Action During and Beyond the COVID-19 Pandemic. Society of General Internal Medicine Annual Meeting 2021. Innovations in Health Care Delivery Oral Presentations. April 22, 2021
4. Development and Implementation of IMPACT (Illinois Medical Professionals Action Collaborative Team) to Combat the Infodemic on Social Media and with Community

- Partnerships. Oral Presentation at Network of the National Library of Medicine (NNLM). April 2021.
5. Implementation of IMPACT (Illinois Medical Professionals Action Collaborative Team) To Enable Healthcare Workers to Translate Values into Action During and Beyond the COVID-19 pandemic. Society of General Internal Medicine. 2021.
 6. Creation and Translation of IMPACT (Illinois Medical Professionals Action Collaborative Team) to Amplify and Address Disparities in COVID-19: The Case of Vaccine Delivery. Academy Health. 2021.
 7. Development and Implementation of IMPACT (Illinois Medical Professionals Action Collaborative Team) to Amplify Medical Voices During the COVID19 Pandemic. Oral Presentation. PRISM Health Symposium. December 4 2020.
 8. Development and Implementation of IMPACT (Illinois Medical Professionals Action Collaborative Team) to Amplify Medical Voices During the COVID19 Pandemic. Oral Innovations Session. SGIM 2020 Midwest Regional Conference. October 2020.
 9. Development and Implementation of IMPACT (Illinois Medical Professionals Action Collaborative Team) to Amplify Medical Voices During the COVID19 Pandemic. Oral Innovations Session. Women in Medicine Summit 2020. October 2020.
 10. Evaluating unconscious bias: Speaker introductions at an international oncology conference. Oral Presentation. ASCO 2019. Presented by corresponding author Narjust Duma, MD
 11. Operative Intervention for Carotid Restenosis Is Safe and Effective. Society for Clinical Vascular Surgery 34th Annual Symposium. Las Vegas, Nevada. March 2006.
 12. Fistulogram After Arteriovenous Dialysis Graft Thrombectomy Should be Mandatory. Society for Clinical Vascular Surgery 34th Annual Symposium. Las Vegas, Nevada. March 2006. Presented by corresponding author Shakthi Kumar

Invited Lecture – Non CME

1. Gastrointestinal Cancers – Colorectal. ASCO Direct St. Louis Virtual Conference June 26, 2021.
2. Using Social Media for Physician Advocacy to Combat the Infodemic. [Total Health Conferencing](#). May 2021.
3. It's Not You It's Them: Unmasking The Real Imposter. Department of Medicine Inclusion Council. University of Illinois at Chicago. April 22, 2021.
4. Health Data Privacy and Data Protection as an Enabler of Innovation.” Institute for Technology and Global Health. March 11, 2021.
5. Op-Eds and Advocacy. UIC, Global Health Policy and Advocacy Medical Colloquia. October 16, 2020.

V. CLINICAL

Areas of Clinical Interest, Expertise

GI Oncology
Immunotherapy
Digital Innovation
Neuroendocrine tumors
Immunotherapy
Colorectal cancer
Pancreatic cancer

Program Development and Oversight: Clinical

Neuroendocrine PRRT Program, University of Illinois Cancer Center
Developing Lutathera/PRRT program for neuroendocrine patients
Working closely with nursing and nuclear medicine to create patient educational material and develop strategies to create outpatient treatment program.

Neuroendocrine multidisciplinary program, Rush University
Developed multidisciplinary tumor board and launched July 2019
Transitioned Lutathera/PRRT program from inpatient to outpatient setting
Worked closely with nursing and nuclear medicine to create patient educational material and develop strategies for outpatient treatment program.

VI. SERVICE

Membership in Professional Societies (Active)

American College of Physicians (ACP) – Member, Fellow
American Society for Clinical Oncology (ASCO)- Member
Women’s Networking Center Task Force Lead
Illinois State Medical Society
Council on Communications and Membership Advocacy
COVID19 Taskforce
University of Chicago Alumni Association, Member

Program Development and Oversight

American Society of Clinical Oncology
Women’s Networking Center Task Force Lead, 2020-2021

Women in Medicine Summit Programming, 2019-ongoing
Annual Conference, webinars, lecture series, longitudinal leadership programming
Founder and chair annual national CME multi-institutional 2 day conference.
Steering committee of 70+ women physicians, 9 subcommittees from across the country.
Monthly newsletter
Monthly CME webinars
WIMS Compendium publication and other Resources and Publications
Sponsors and endorsers from across the country
Developed marketing and social media material
Developed curriculum, invited speakers

Rush Center for the Advancement of Women in Healthcare, Co-Founder, Co-Chair
Created internal advisory board
Developed charter
Launched website

Development and creation of Center from initial idea phase to implementation
Led several meetings of advisory board
Strategic planning
Created budget and successfully presented to leadership
Soft launch of Center September 2019, presented to Rush University Health Center
Thought Leadership program development Rush University Cancer Center,
Creator

Women in Medicine Symposium, Northwestern Memorial Hospital, 2018
Created CME women in medicine programming and conference

Appointed Position

American Society of Clinical Oncology (ASCO)
Women's Networking Center Task Force Lead, ASCO 2020-2021
Member of the Planning Committee for 2020 ASCO National Conference
Women's Networking Center Task Force member, ASCO
Diversity and Inclusion Taskforce June 2020-ongoing

Illinois State Medical Society
Council on Communications and Membership Advocacy, July 2019-ongoing
COVID-19 Advisory Group, April 2020-ongoing

VII. TEACHING

Educational Conference Chair- GME

Women in Medicine Summit Med Student Preconference, Co-Founder, Co-Chair. Sep 19, 2019.
Educational conference for medical students.
Preconference for medical student volunteers and those attending the Women in Medicine Summit.
Partnership with SheMD
Led content development, breakout sessions, networking sessions
Organized medical student volunteers for WIMS 2019

Women in Medicine Summit Medical Student Quarterly Workshops
Educational quarterly workshops for WIMS student volunteers
Educational content, mentoring, CV and ERAS assistance

Educational Conference Chair- CME

[Women In Medicine Summit](#), Founder, Chair Virtual Conference October 9-10, 2020
CME conference, sponsored and endorsed by multiple institutions across the country, local and national organizations.
45 million impressions on twitter in 48 hours
11 subcommittees with members from 21 institutions
Abstracts, Perspective pieces accepted original work published in IJAM

I Stand With Her awards, 1 winner in each of three categories
National speakers from academic medicine, lawyers, negotiation and strategy experts, clinical medicine, C-suite, coaches, MBAs, lawyers
Breakout sessions for skill building, professional and personal development

Mission: Advocate for advancement of women in medicine, close the gender gap in healthcare.

Cite evidence-based data and peer-reviewed studies relating to gender equity and equality and implicit bias.

Constructively analyze the data and research on gender bias and gender equity. Gain the ability to instruct others on the topic.

Recognize barriers existing for women physicians and create constructive solutions to be implemented for systemic change.

Develop skills for career development and tools to help create programming at other institutions.

Learn ways to become involved in advocacy through medicine.

HeForShe: Allies in Equity Track

Lectures and Workshops with national leadership on being an Ally

[Women In Medicine Summit](#), Founder, Co-Chair. September 20-21, 2019

425 attendees in 2019, 9 countries, 29 states represented

CME conference, sponsored and endorsed by multiple institutions across the country, local and national organizations.

67 abstracts, 33 perspective pieces

I Stand With Her awards, 1 winner in each of three categories

National speakers from academic medicine, lawyers, negotiation and strategy experts, clinical medicine, C-suite, coaches, MBAs

Breakout sessions for skill building, professional and personal development

Mission: Advocate for advancement of women in medicine.

Cite evidence-based data and peer-reviewed studies relating to gender equity and equality and implicit bias.

Constructively analyze the data and research on gender bias and gender equity. Gain the ability to instruct others on the topic.

Recognize barriers existing for women physicians and create constructive solutions to be implemented for systemic change.

Develop skills for career development and tools to help create programming at other institutions.

Define, recognize and implement strategies to overcome imposter syndrome.

Learn ways to become involved in advocacy through medicine.

Chicago LiverMet Symposium, Co-Chair. May 30, 2019

CME conference for physicians in multiple specialties

Up to date presentations of treatment standards for patients with malignancy metastatic to the liver

Women In Medicine Symposium, Co-Founder, Co-Chair. October 25, 2018

CME Conference at Northwestern Memorial Hospital

200 attendees

Objectives: Facilitate advancement of women in medicine, cite evidence-based data and peer reviewed studies relating to gender equity. Describe skills necessary in facilitating a strong mentor/mentee relationship.

Identify barriers that currently exist for physician women and create constructive solutions that can be implemented. Explain the benefits of involvement in community activism and leadership, and list tools in order to implement this. Identify the latest research on gender equity, implicit bias and gender bias and instruct others on these topics

Curriculum Development & Delivery, CME

Women in Medicine: WIMS [Leadership Accelerator](#) for Early to Mid-Career Faculty

Founder, Course Director 2021-ongoing

Longitudinal CME leadership development program

Applications reviewed, accepted candidates notified

Six month curriculum including 360 evaluations and Hogan scores, coaching

Target audience: Early to Mid-Career Women in Medicine

Women in Medicine: WIMS [Inclusive Leadership Lab](#) for Male Allies

Founder, Course Director 2021-ongoing

Longitudinal CME leadership development program

Six month curriculum including education and tools to be effective inclusive leaders.

Target audience: Male leaders in healthcare who strive to be more inclusive Leaders

IX. OUTREACH

1. Illinois Medical Professionals Action Collaborative Team ([IMPACT](#))
Co-Founder, Chief Executive Officer 2021-ongoing
Chief Operating Officer 2020-2021
A coalition of physicians and health professionals working to identify and meet the needs of Illinois' healthcare workers and communities. The purpose of IMPACT is to engage grass-root networks, advocate for evidence-based solutions, advise influential stakeholders, and amplify solutions that protect the individuals and communities across the state and country.
2. Rush Cancer Center Survivors Day. Introduction of Keynote. Sep 14, 2019.
3. OncLive TV: Results of Gender Disparities Study in Oncology. June 2019.
4. I Live to Conquer Cancer Campaign. ASCO Connection. Feb 2019.
5. SabinVaccine Campaign. #ShowMeYourShot. Ongoing
6. Panel: Unconventional Indian Women Powering Activism. University of Chicago May 10, 2019.

Advisory Board

1. Cancer Wellness Magazine, Advisory Board Member

National Collaboratives, Partnerships, Initiated, Spearheaded and Developed

1. Founder: The Gender Moonshot
 - Founded 2019
 - National gender equity initiative.

2. OncLive Liaison with University of Illinois Cancer Center and the Division of Hematology and Oncology: Initiated and established partnership, developed ongoing programming.
 - Developed marketing opportunities and collaborations for UICC and the Division of Hematology and Oncology
 - Spearheaded and organized several feature pieces to be published of University of Illinois Hematology and Oncology fellows in OncLive online and print publication.
3. American Cancer Society (ACS) Liaison for the University of Illinois Cancer Center and the Division of Hematology and Oncology
 - Established partnership with ACS.
 - Developed co-branded patient education materials on cancer prevention.
 - ResearchHERS Ambassador, American Cancer Society April 2019-ongoing
4. OncLive Liaison with Rush University Cancer Center: Initiated and established partnership, developed ongoing programming.
 - Developed marketing opportunities and collaborations for the Rush University Cancer
 - Arranged for interviews of multiple Rush Cancer Center oncologists at national meetings such as ASCO and San Antonio Breast Cancer Symposium.
 - Spearheaded and organized several feature pieces to be published of Rush University Medical Center faculty in OncLive online and print publication.
5. American Cancer Society (ACS) Liaison for Rush University Cancer Center. Established partnership with ACS.
 - Developed co-branded patient education materials on cancer prevention.
 - ResearchHERS Ambassador, American Cancer Society April 2019-June 2020
6. Institute for Translational Medicine (ITM) Rush Representative. April 2019-ongoing.
7. Cancer Wellness magazine: July 2019. Established relationship with Rush University Cancer Center.
8. Chicago Magazine feature for Rush Cancer Center. Organized and initiated partnership for feature in fall 2019 issue.
9. Carcinoid Cancer Foundation. Established relationship with Rush University Cancer Center
 - Continued relationship with patient facing educational videos and Facebook live lectures.
 - Interviewed on Neuroendocrine tumors for patient education
10. National Collaboration to Advance Women's Scholarship in Medicine with Rush University Medical Center. Established partnership and ongoing collaborations.
 - National research collaboration with Rush University Cancer Center.
